Above them, the sky swirls with the dark clouds of a coming storm. But Spain, not Rome, was the political cornerstone of the Catholic world, and it was now that the momentous resolution was taken to invite Philip II to lend assistance. The pain and the shame we feel at the sin of some members of the Church, and at our He and his assistants-a pianist, whose instrument, mounted on rollers, was wheeled each morning from the vestibule of the

baths to the kiosque ; an enormous flautist, who presented the appearance of sucking a match while tickling it with his big swollen fingers, and a double-bass of consumptive aspect-produced with much fatigue this perfect imitation of a bad barrel-organ, which had astonished Christiane in the village street.
