The Chinese Novel at the Turn of the Century (Heritage)

In the health care field, elderly female patients are more likely than elderly men to see their health care concerns trivialized Sharp and are more like to have the health issues labelled psychosomatic Munch Another female-specific aspect of aging is that mass-media outlets often depict elderly females in terms of negative stereotypes and as less successful than older men Bazzini and McIntosh The gradual decrease in male sexual performance that occurs as a result of primary aging is medicalized and constructed as needing treatment Marshall and Katz so that a man may maintain a sense of youthful masculinity. I would read them in order.

The Chinese Novel at the Turn of the Century (Heritage)

In the health care field, elderly female patients are more likely than elderly men to see their health care concerns trivialized Sharp and are more like to have the health issues labelled psychosomatic Munch Another female-specific aspect of aging is that mass-media outlets often depict elderly females

in terms of negative stereotypes and as less successful than older men Bazzini and McIntosh The gradual decrease in male sexual performance that occurs as a result of primary aging is medicalized and constructed as needing treatment Marshall and Katz so that a man may maintain a sense of youthful masculinity. I would read them in order.
