well-conditioned and wholesome district of country has been converted into one wide ulcer of wretchedness and woe, it must be confessed that the sore has been carefully bandaged up from the public eye,-that if there has been little done for its cure, there has at least been much done for its concealment. Some people are fast, some people are slow. This book confirms what many of today's African-American women and interested observers have known for some time: Conceptions and experience of black womanhood are quite diverse and appear to have grown more diverse over time. You can sense huge anticipation in the audience when the cannon is wheeled on.
