The Later Plato and the Academy (A History of Greek Philosophy, Volume 5)

Great book. Along with the constant and skilled worldbuilding, the narrative pattern worked superbly for me, the careful construction of the first part of the book gradually widens the stage and allows for rich developments and several story twists.

Adorno and Existence

Multiplayer is still being worked on, but all the niggles from the first such as accessing the stores and dead-lime dialogue are being eradicated so the experience should be a lot smoother.
