How to write a great review Do Say what you liked best and least Describe the author's style Explain the rating you gave Don't Use rude and profane language Include any personal information Mention spoilers or the book's price Recap the plot. Among the didactic poetry of the English Middle-Ages the greatest achievement is the Vision of Piers Plowman, belonging to the second half of the fourteenth century.

## **Food, Agriculture and Education. Science and Technology Education and Future Human Needs**

Written at the intersection of several romance languages, and most closely related to Spanish and Italian, the collection wears its Latinity on its sleeve; in other words, this is a collection fueled by the many convergences and divergences possible between Latin and its vernaculars, ultimately proposing that true Latinity is always first and foremost expressed through language.
