Department of Energy. Drawing from the pool of psychological research on these topics, as well as the timeless wisdom of philosophers such as Plato, Nietzsche, and Tom Waits, he dissects religion and politics and the uncomfortable ways they have come to resemble one. I have been coming to Greece since the early 's and always did it the hard way, sleeping on the deck of night ferries to Crete, taking doomed bus journeys to Northern Greece with incipient dysentery, trying to placate small children through ticket buying ordeals in Piraeus, walking miles in heat, waiting for inexplicable transport links that never arrived. Middle son is a hero.
